ASUS PC Stick

Quad Core Intel® Atom™ / Windows 10

Product Manual

Package Contents

Getting Started

1. Connect the HDMI to the corresponding port on the television (use in conjunction with the HDMI extension cord if the distance between the product and the television exceeds the length of the HDMI cable) and select the appropriate [Video Input Source] (i.e., the HDMI input channel) on the display (e.g., TV, monitor, projector).
2. USB Power Supply: Connect the Micro USB on one end of the power cable to the product and USB to the corresponding voltage transformer.
3. The product supports Bluetooth or USB wireless keyboards and mouse.
4. Press "Power" to activate the system.
